

LINE-IT

Tired of scrubbing the base of your oven?

Line-It Oven Shield could be the answer.

Line-It is a PTFE Coated Fabric which has a silicon adhesive backing. Line-It will withstand temperatures up to 260°C.

Applying **Line-It** is a simple process, and will save you cleanup time and effort for up to 12 months. Cleanup is as simple as wiping a damp cloth over the surface after the oven has cooled. No need for nasty chemicals or cleaning agents!

Although **Line-It** will not be in contact with food, the materials are odour free and food safe (FDA approved).

Give yourself a break and apply a **Line-It Oven Shield**. It could be as easy as **1-2-3**.
